“Making plain the long-hidden prophetic Word of THE ALMIGHTY GOD YAHWEH for this last generation.”

INTRODUCTION

> *"Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness…" — Daniel 9:24, KJV*

Seventy weeks of years give a total prophetic framework of **490 years**. Daniel 9:25–27 presents the components as seven weeks, sixty-two weeks and one final week: **7 × 7 = 49 years; 62 × 7 = 434 years; 1 × 7 = 7 years; total 490 years.**

This study examines a prophetic pattern extending from the experiences of the Children of Israel to the Church of Christ Jesus, and ultimately to the final purification and inheritance of the Elect of THE ALMIGHTY GOD YAHWEH.

Throughout this teaching four levels are distinguished: **Biblical Record**—what Scripture explicitly states; **Derived Chronology**—periods calculated from scriptural chronological information; **Biblical Typology**—events in Israel's history understood as patterns pointing to later spiritual realities; and **Prophetic Interpretation**—the proposed correspondence between those patterns and later church history and the present generation.

PART I — JACOB, THE CHILDREN OF ISRAEL AND THE FIRST CHRONOLOGICAL PATTERN

1. The Command to Jacob to Leave Haran

> *"Return unto the land of thy fathers, and to thy kindred; and I will be with thee." — Genesis 31:3*

> *"arise, get thee out from this land, and return to the land of thy kindred." — Genesis 31:13*

> *"Thus have I been twenty years in thy house; I served thee fourteen years for thy two daughters, and six years for thy cattle…" — Genesis 31:41*

Our reconstructed chronology places Joseph's birth approximately thirteen years after Jacob entered Haran. Joseph was therefore approximately seven years old when Jacob finally departed. Joseph was seventeen when sold (Genesis 37:2), thirty when he stood before Pharaoh (Genesis 41:46), and approximately thirty-nine when Jacob entered Egypt after seven years of plenty and two years of famine (Genesis 45:6).

> *"And Jacob lived in the land of Egypt seventeen years…" — Genesis 47:28*

This produces the working chronology: **Jacob leaves Haran** → **approximately 32 years** → **Jacob enters Egypt** → **17 years** → **Jacob dies**, giving approximately **49 years** from the command/departure from Haran to Jacob's death.

> *"Gather yourselves together, that I may tell you that which shall befall you in the last days." — Genesis 49:1*

PART II — EGYPT: THE 430 YEARS AND THE 400 YEARS

2. From Jacob to the Children of Israel

> *"Now these are the names of the children of Israel, which came into Egypt; every man and his household came with Jacob." — Exodus 1:1*

“And Joseph died, and all his brethren, and all that generation.” — Exodus 1:6

“the children of Israel were fruitful, and increased abundantly…” — Exodus 1:7

3. The 400-Year Prophecy

“thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years.” — Genesis 15:13

“And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.” — Genesis 15:14

“But in the fourth generation they shall come hither again…” — Genesis 15:16

4. The 430-Year Clock

“Now the sojourning of the children of Israel, who dwelt in Egypt, was four hundred and thirty years.” — Exodus 12:40

“at the end of the four hundred and thirty years, even the selfsame day… all the hosts of the LORD went out from the land of Egypt.” — Exodus 12:41

This study examines the relationship between the **430-year period** and the **400-year period of affliction**, including the 30-year difference between them. The exact beginning of the 400-year affliction within that framework remains under examination and is not asserted beyond what Scripture establishes.

PART III — EXODUS, KADESH AND THE JUDGMENT OF A GENERATION

The generation delivered from Egypt crossed the Red Sea, was led by the pillar of cloud and fire, received the commandments, and witnessed the presence of THE ALMIGHTY GOD YAHWEH at Sinai. Nevertheless, at Kadesh they refused to trust Him concerning the inheritance.

“Your carcases shall fall in this wilderness… from twenty years old and upward, which have murmured against me.” — Numbers 14:29

“your little ones… them will I bring in, and they shall know the land which ye have despised.” — Numbers 14:31

Thus two generations become visible: **the generation judged in the wilderness** and **the generation permitted to inherit the Promised Land.**

PART IV — THE 38 YEARS: KADESH TO ZERED

“the space in which we came from Kadesh-barnea, until we were come over the brook Zered, was thirty and eight years…” — Deuteronomy 2:14

“when all the men of war were consumed and dead from among the people…” — Deuteronomy 2:16

Zered therefore marks an important generational transition. In the typology developed in this study, the wilderness represents a refining furnace.

“Many shall be purified, and made white, and tried…” — Daniel 12:10

“I will… refine them as silver is refined, and will try them as gold is tried…” — Zechariah 13:9

“he shall sit as a refiner and purifier of silver…” — Malachi 3:3

PART V — ZERED AND THE BEGINNING OF THE FINAL SEVEN-YEAR PATTERN

“Behold, I have begun to give Sihon and his land before thee: begin to possess…” — Deuteronomy 2:31

“Israel smote him with the edge of the sword, and possessed his land…” — Numbers 21:24

“So they smote him, and his sons, and all his people… and they possessed his land.” — Numbers 21:35

Thus possession of the promised inheritance began **before Israel crossed Jordan**. Jordan did not begin possession; Israel had already begun possessing the inheritance east of Jordan.

PART VI — THE BIBLICAL BASIS FOR AN APPROXIMATELY SEVEN-YEAR PERIOD

“Forty years old was I when Moses the servant of the LORD sent me from Kadesh-barnea to espy out the land…” — Joshua 14:7

“the LORD hath kept me alive… these forty and five years…” — Joshua 14:10

Therefore **Kadesh** → **Caleb’s declaration = 45 years**. Deuteronomy gives **Kadesh** → **Zered = 38 years**. Hence **45** – **38 = approximately 7 years.**

This gives the biblical framework: **ZERED** → **BEGIN TO POSSESS** → **CONQUEST** → **INHERITANCE** → **CALEB** within approximately seven years. The present study examines this period as a biblical pattern corresponding to the final week of Daniel’s seventy weeks.

PART VII — THE FIRST 3½ YEARS: THE FINAL STAGE OF THE FURNACE

Within the proposed prophetic interpretation, the period beginning around Zered and extending toward Gilgal represents the first half of the final seven years. The inheriting generation had survived the earlier judgment, yet still faced Sihon, Og and finally River Jordan.

“all the Israelites passed over on dry ground, until all the people were passed clean over Jordan.” — Joshua 3:17

They entered the land, but the refining process had one final stage: Gilgal.

PART VIII — GILGAL: THE PURIFICATION OF THE INHERITING PEOPLE

“Make thee sharp knives, and circumcise again the children of Israel the second time.” — Joshua 5:2

“all the people that were born in the wilderness by the way as they came forth out of Egypt, them they had not circumcised.” — Joshua 5:5

“This day have I rolled away the reproach of Egypt from off you.” — Joshua 5:9

In the prophetic typology, circumcision at Gilgal represents final purification and covenantal preparation of the Elect.

> *“circumcision… of the heart, in the spirit…” — Romans 2:29*

> *“the circumcision made without hands…” — Colossians 2:11*

Caleb and Joshua represent, typologically, those who had already entered covenant faithfulness and continued therein; the wilderness-born generation represents those reaching the inheritance who still required the covenantal sign. Egypt, in this typology, represents bondage to the sinful world from which GOD delivers His people.

PART IX — PASSOVER: THE PROPOSED MIDPOINT

> *“the children of Israel encamped in Gilgal, and kept the passover on the fourteenth day of the month…” — Joshua 5:10*

Within the prophetic framework developed here, this Passover represents the transition from the **first 3½ years** to the **second 3½ years** of the final seven. Scripture establishes the sequence; the identification of Gilgal as the precise prophetic midpoint remains an interpretation to be tested further against Daniel and Revelation.

PART X — THE FOOD CHANGES

> *“they did eat of the old corn of the land on the morrow after the passover…” — Joshua 5:11*

> *“the manna ceased on the morrow after they had eaten of the old corn of the land…” — Joshua 5:12*

Before Gilgal: wilderness food. After Passover: food of the Promised Land. The people are now eating the food belonging to their inheritance.

> *“I am the bread of life.” — John 6:48*

The manna belongs to a biblical pattern of divine provision during pilgrimage, while the food of Canaan marks the changed condition of a people now eating from their inheritance.

PART XI — THE COMMANDER OF THE HOST APPEARS

> *“Art thou for us, or for our adversaries?” — Joshua 5:13*

> *“Nay; but as captain of the host of the LORD am I now come.” — Joshua 5:14*

> *“Loose thy shoe from off thy foot; for the place whereon thou standest is holy.” — Joshua 5:15*

Many Christian interpretations identify this figure as a divine manifestation associated with Christ; the text itself calls Him the Captain of the host of the LORD. Within this prophetic study, His appearance represents Christ Jesus taking His place as Commander over the purified people during the second half of the final seven.

PART XII — THE SECOND 3½ YEARS: POSSESSION WHILE WARFARE CONTINUES

Israel was inside Canaan, circumcised, with the reproach of Egypt removed, celebrating Passover, eating the food of Canaan and under divine leadership. Nevertheless, battles remained: Jericho, Ai and Achan,

the southern coalition associated with Adonizedek, and the northern coalition associated with Jabin.

> *"Joshua took the whole land… and the land rested from war." — Joshua 11:23*

This yields an important prophetic principle: **entering the inheritance does not necessarily mean warfare immediately ends.** Within this interpretation, the purified Elect may begin enjoying privileges of the Kingdom while still on earth and while final battles continue.

PART XIII — ROYAL POWER AND THE SAINTS POSSESSING THE KINGDOM

> *"judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom." — Daniel 7:22*

> *"the kingdom and dominion… under the whole heaven, shall be given to the people of the saints of the most High…" — Daniel 7:27*

> *"he that overcometh, and keepeth my works unto the end, to him will I give power over the nations." — Revelation 2:26*

> *"he shall rule them with a rod of iron…" — Revelation 2:27*

Within this prophetic interpretation, the Gilgal transition corresponds to purification of the Elect and entrance into a Kingdom condition in which authority is given to faithful overcomers.

PART XIV — THE SEVEN CHURCHES AND THE BRIDE

> *"John to the seven churches which are in Asia…" — Revelation 1:4*

> *"To him that overcometh will I give to eat of the tree of life…" — Revelation 2:7*

> *"the bride, the Lamb's wife." — Revelation 21:9*

This study proposes that the faithful overcomers represented by the messages to the Seven Churches point prophetically toward the purified end-time Church—the Bride of Christ Jesus. This relationship will be examined more deeply as the study proceeds through Revelation.

PART XV — THE TWELVE CHILDREN OF ISRAEL AND THE TWELVE APOSTLES

> *"And he ordained twelve, that they should be with him, and that he might send them forth to preach." — Mark 3:14*

> *"Go ye therefore, and teach all nations…" — Matthew 28:19*

Within the typology: **the Twelve sons of Jacob → covenantal Israel**, while **the Twelve Apostles → apostolic transmission of the Gospel of Christ.** This is a typological correspondence, not a claim of biological succession.

PART XVI — THE PROPOSED HISTORICAL 490-YEAR CORRESPONDENCE

Daniel's numerical structure is **49 + 434 + 7 = 490 years.** The historical-prophetic chronology presently under examination observes: **1536 → 1970 = 434 years; 1970 → 2019 = 49 years; 2019 → 2026 = 7**

years. Thus **434 + 49 + 7 = 490 years.**

The arithmetic is exact. The identification of these historical periods with Daniel's prophecy is a **prophetic interpretation** and must continue to be tested against Scripture.

1536–1970 — 434 years

This period is understood typologically as corresponding to the Egypt/affliction stage in the history of GOD's people. The Church of England becomes an important historical marker in this interpretation, while the apostolic Word remains the standard against which every later church tradition must be examined.

1970–2019 — 49 years

This period is interpreted as the new-generation/Born Again movement phase, corresponding typologically to the generation delivered from Egypt and travelling toward the inheritance. The Kadesh pattern represents the point at which outward profession alone proves insufficient.

2019–2026 — proposed final seven

This period is being examined as corresponding to Daniel's final week and to the approximately seven-year Zered-to-inheritance pattern: **First 3½ — refining/furnace; Gilgal — purification, covenantal transition and Passover; Second 3½ — Kingdom possession under the Captain.**

PART XVII — COVID-19 AND THE FURNACE

COVID-19 occupies an important place in the present prophetic interpretation. Historically, public recognition developed progressively rather than supplying one single humanly identifiable date for the hidden biological beginning of the disease. This study therefore does not assign an undisclosed exact starting day merely to produce a mathematical 3½-year interval.

Rather, COVID-19 is interpreted as a visible worldwide marker associated with the proposed first 3½-year furnace period.

> *"Many shall be purified, and made white, and tried…" — Daniel 12:10*
>
> *"But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only." — Matthew 24:36*
>
> *"the day of the Lord so cometh as a thief in the night." — 1 Thessalonians 5:2*

Consequently, this teaching does not claim knowledge of a divinely hidden exact day. It proposes a prophetic season and structure whose details must continue to be examined by the Holy Scriptures.

CONCLUSION

> *"Now all these things happened unto them for ensamples: and they are written for our admonition…" — 1 Corinthians 10:11*

The journey from Egypt, through the wilderness, across Zered and Jordan, into Gilgal and finally into possession deserves careful examination alongside Daniel and Revelation. The pattern presently emerging is one of **calling → separation → affliction → deliverance → testing → judgment → refining → purification → covenant → inheritance → Kingdom authority → final victory.**

Yet this study remains subject to the authority of the Holy Scriptures. As the study proceeds deeper into Daniel and Revelation, every element of this Master Chronology must be allowed to stand, be refined, or be corrected according to the Word itself.

Particular attention will subsequently be given to Daniel 7, Daniel 9, Daniel 12, Revelation 1–3, Revelation 5, Revelation 7, Revelation 11–14 and Revelation 17–22.

The purpose is not to manufacture dates that THE ALMIGHTY GOD YAHWEH has not revealed, but to understand the prophetic pattern given in His Word and the signs associated with its fulfilment.

> *"Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand." — Revelation 1:3*

To be continued as the study of Daniel and Revelation develops.
